

Test 1 – Different Player Name

If the players enter the same player names, the second one will be prompted to enter a new one until it is different from the first one.

Test 2 - If the move doesn't follow the rule, it will be prompted a warning and the player has to choose another move.

Test 3 - The current player's name is shown on the lower right corner. The player has to move his own piece in his turn, if he moves the opponent's piece, a warning will pop out.

Test 4 – The player cannot move the piece to a square occupied by his own piece.

Test 5 – Restart Game

To restart a game, both players need to agree to start a new game. If one of them doesn't agree, the current game will continue. If they both agree, a new game starts and they both get a point.
